Mi risvegliai dal Sonno e in un istante
Raccolsi le Smarrite Pecorelle
Verso del fiume poi drizzai le piante
A tessier con i giuncki le fiscelle
Mi accostai, e rimirai
A guazzar le Pesci e l'Onda
Onda lunga all'altra sponda
E in sul bel rio
Mi parve di sentire un salpestio

3.

Quando mi volto, e vedo ad un Ruscello
Una vaga, e leggiadra Pastorella
Che di pianto faceva un fiumicello
E nell'affanno suo era più bella
Mi accostai, e dimandai
La cagione del suo dolore
Mi rispose traditore
E si parlando
Mi svenne fra le braccia sospirando

Lasciai la Pastorella, e corsi al fonte
A prender l'acqua dentro al mio Cappello
Tornai veloce, e gli sprizzai la fronte
E sotto al capo misi il mio Mantello
Quel ristretto, e bianco petto
Con gran fretta gli Slacciai
E la fronte gli asciugai
E dopo un'ora
In se stessa ritorna, e piange ancora

5.

Affannata mi guarda, e poi mi dice
Sei troppo crudo a disprezzar chi t'Ama
Per te questo mio Cuore vive infelice
E tu sordo ti rendi a chi ti Adora

3ème Cplet.

pour nous charmer la terre prend un Langage
émeut le Coeur et cherche à l'attirer
Si l'onde fuit et si dans le feuillage
Zephir se joue, ils Semblent murmurer

Venez aux champs venez venez aux champs.

4ème Cplt.

Amants des arts qu'en flamme un beau délire
qui des talents vous disputez le prix
pour animer les pinceaux et ma lyre

2ème fois

Oui les vrais attraits et traits que j'aime
Son doux regard son maintien sa candeur
Lorsque ma main te mette sur mon coeur
je croirai encore la prêter elle même

2ème fois

Non tu n'as pas pour moi les mêmes charmes
mais témoin de mes tendres soupirs
en retraçant mes fugitifs plaisirs
tout portrait fait couler mes larmes

2ème fois

pardonne moi mon injuste langage
pardonne moi mon injuste douleur
portrait charmant tu nett pas le bonheur
mais bien souvent tu m'en offre l'image

Jamais femme dont les maris
voyagent dans lointains pays
garder sous bien dans leur absence
de faire la moindre imprudence

2ème fois
Lorsqu'hier d'un air embarrassé
il gémit il soupira
le regard à demi baissé
j'arrange un doux sourire
un sourire je crois
pour le faire comprendre
hélas est-ce ma faute à moi
s'il ne veut pas m'entendre

3ème fois
l'autre jour il me dit tout bas
ma douleur est extrême
en soupirant je dis hélas
quel tourment quand on aime
cruelle repris-il je vois
ce que je dois attendre
hélas est-ce ma faute à moi
s'il ne veut pas m'entendre.

4ème fois
si cela dure il faudra bien
user un peu d'adresse
se sauver par quelque moyen
trop de délicatesse
je consens qu'il sache pour
j'ai tardé de me rendre
quand on s'aime de bonne foi
on finit par s'entendre.

2ème Cpt.

Je t'aimerai
tant que sous le feuillage
l'oiseau viendra boire les feux du jour
je t'aimerai tant que le vaste bocage
retentira de ses chansons d'amour
Je t'aimerai. (Bis.)

3ème Cpt.

Je t'aimerai
tant que de la lumière
mes yeux verront le disque radieux
je veux encor en fermant la paupière
te répéter pour mes derniers adieux ...
Je t'aimerai (Bis).
